Entering 2022 with *Intention*...

The Five Streams:

At Adventure Community Church we believe that Jesus came to give us – in His own words – "life to the full" (John 10:10).

However, we have found that not all believers are experiencing that kind of LIFE. We believe that five critical practices, which we describe as "streams," flow together to help produce that LIFE. If a follower of Christ is engaging only one or two, their experience of "life to the full" will be elusive. These streams are: "Walking with God," "Restoration," "Spiritual Warfare," "Community," and "Mission".

Spiritual Warfare

We believe that there is an enemy who aims to steal, kill and destroy God's beloved, His bride, which is the church, comprised of all who believe and follow Jesus. Throughout your life there has been an assault on you to create distrust in God's leadership, a false identity for yourself, and a false hope for life apart from God. We exist in a world that is in a spiritual war. The ground that the warring parties seek to possess is your heart. We believe that for a follower of Christ to become who they were meant to be, they will have to learn to fight the enemy in the power and victory given them under the authority of Jesus. (Eph. 6:12-18, 1 Peter 5:8-9, 1 John 5:19, James 4:7)

Entering 2022 with the Armor of God

A scenic winter landscape featuring snow-covered mountains, evergreen trees, and a misty valley. The scene is bathed in a soft, golden light, suggesting a sunrise or sunset. The foreground shows a snow-covered slope with several evergreen trees. The middle ground is dominated by a dense forest of evergreen trees, and the background shows a range of snow-capped mountains under a cloudy sky.
